## **NEW EXPERTS FOR EXPERTS PARTNER IN DENMARK**

**Basel, February 1, 2010.** Bogetorp, a Danish consulting firm, has become partner for Denmark of Experts for Experts International and Preben Moeller Nielsen from Bogetorp has become shareholder in Experts for Experts International with immediate effect. This expansion marks a further increase in the geographical footprint of the network.

Bogetorp is a customer driven organization with focus on developing solutions to address business challenges in close cooperation with the clientele. The company's areas of expertise are, among others, tailored to the logistics and transportation industry.

Bogetorp consultants works within three main areas: search & selection as well as strategy and leadership development. Within executive search and selection Bogetorp offers multi-channel access to pools of talent for their clients and helps to identify and attain qualified talent for the Danish and international supply chain sector. By combining Bogetorp's proven concepts and processes with creative ideas and innovative solutions Bogetorp ensures high quality and success rates.

"Bogetorp joining the e4e network will not only broaden the network of both organizations but also the knowledge base," said a proud Preben Moeller Nielsen. He himself has more than 30 years of management experience in the international transport and logistics industry.

Urs B. Hug, Chairman of the Executive Board of Experts for Experts, welcomed the new member. "The additional shareholder and partner add weight and significance to the network. This combination – depth of industry knowledge and breadth of community – is unique in recruitment in the transport and logistics industry. We are here for the long run. And the new members will bring fresh impetus to the further development of the network. I am convinced that we can solve any strategic recruiting needs around the globe with the experience and excellence of our combined research and management staff."
