

Experts for Experts German Partner Expands Into Personnel And Organizational Development

Hamburg April 16th, 2010; Elmar Hertzog und Partner Management Consultants GmbH, Experts for Experts (e4e) Partner in Germany and Austria are strengthening their team in the selection process area and in coaching and personnel/organizational development.

Specializing in personnel and management consulting as well as mergers & acquisitions within the logistics industry, Hertzog & Partner have appointed Mrs Beate Schaefer-Vogt as Managing Consultant from 1 April 2010.

Mrs Schaefer-Vogt takes charge of the focal points assessment centers, management audits, potential analysis, personnel and organizational development as well as for the coaching of expert and managing functions. She will also be responsible for supporting Hertzog & Partner customers in organizational projects and change processes.

“With Mrs Schaefer-Vogt we have gladly won an associate with a long-time experience in leadership and consulting within the subjects of transport, logistics, services and IT. She has been working for many years both as a manager and as a consultant for airports and harbor logistics enterprises. The expert knowledge of Mrs Schaefer-Vogt will complement our product range perfectly and permits a further expansion of our market position in the areas personnel and management consulting”, according to the managing directors of Hertzog & Partner, Elmar Zitz and Frederik Zitz.

Hertzog & Partner's contact people for projects dealing with human resources development, assessment centers, management audits or management change will be Beate Schaefer-Vogt and Frederik Zitz.

Biography - Beate Schaefer-Vogt

Beate Schaefer-Vogt (born 1958) studied Economy and Social Science at the Georg-August University in Goettingen, focusing her academic studies on business administration, national economy, employment law, political science and organizational sociology.

She worked for more than ten years at Hamburg Airport in traffic planning and quality management, before she started working as a consultant for a renowned management consulting company in Hamburg advising customers in airport and harbor logistics on human resources and organizational development.

Her work focuses on: selection procedure, human resources development, management coaching, introducing management tools as well as conceptual design and monitoring of reorganizational and change procedures.

In April 2010 Mrs Schaefer-Vogt has joined Hertzog & Partner in Hamburg as Managing Consultant and is responsible for

- selection procedure for expert and management jobs via assessments, management audits and potentials analysis
- supporting and accompanying experts and managers by targeted human resources development and practical coaching
- advising and supporting customers when reorganizational measures have to be taken
- accompanying change procedures
